

Coach Bio – Cheryl Hockley

I have coached skating for the past 25 years and have enjoyed every minute of it. I love bringing the joy of skating to my students and helping them achieve their goals. I like to see the skaters take their first steps and develop into confident and competent athletes. I coach all levels of skaters including Preschool, CanSkate, StarSkate and Adult.

My personal skating accomplishments are: NCCP Level 2 Certified; Gold Medalis in Figures, Freeskate and Dance, Novice Competitive, First Aid Certified, and Police Clearance Check.

Personal: I am the mother of 4 boys, all involved in skating, 1 national competitor, 2 international competitors, 1 StarSkater.
